

# FOCUS ON THE LITTLE ONES

## Be strong and courageous

Someone said : " Life can be full of challenges, sorrows, and tough decisions." But even amidst hardship, the Lord counsels us to be strong and courageous. Nowadays, In CEF Haiti, our understanding of Joshua 1:9 help us strongly to face hard things with faith and confidence.

in fact, the children of Israel had wandered in the wilderness for 40 years and it was up to Joshua to lead them into the Promised Land. He'd have to claim the land from its current inhabitants, fight and lead battles, and provide spiritual leadership and emotional care the people.

As he was feeling the overwhelming weight of the task before him, the Lord offered these words of encouragement: Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go."In Joshua's case, he didn't have all the answers for the challenges before him. But he was counseled to go forward anyway, acting in faith. Like Joshua, today in CEF Haiti, we are very courageous to reach boys and girls for christ in the midst of turmoil.

## Reaching children in the midst of crisis

In the middle of the chaos in Haiti, many Children ministry leaders trained by CEF Haiti are persevering and continuing to reach boys and girls for Christ. Badio Jacob, our past public relationship coordinator was able to perform a club during Easter time in a neighborhood very impacted by gang violence.

He organized a special party club for more than 54 kids, and 20 of them hear the gospel message and made decision to give their life to Jesus Christ. It's amazing to see how our mighty God is at work! Would you please join me to ask our Lord to strengthen their minds, hearts, and spirits so that they may grow up in knowledge and wisdom to bring a bright and impactful testimony among their peers.

- ✓ Pray God that the Presidential College will elect its President and choose a Prime Minister, in order to build a government to take charge of the country.
- ✓ Pray that God will give wisdom and inspire the hearts of the members of the transitional government in the decisions they will make to bring the country out of this crisis.
- ✓ As fear and violence surround the children into the displaced camps in Port-au-Prince, pray that God would fill them with an overflowing peace
- ✓ Pray without ceasing for our workers and GNC teachers, as they pour into their children day after day, ask God to pour into them in a mighty way.

Our goal for this new year ministry is to realize at least 3 conferences, with the purpose to reach 500 leaders. With only 40 USD, you can help us equip a leader
