Dear beloved!

This past year has been one of trusting God and seeing Him come through as a faithful God and Saviour. There have been many changes and challenges within our ministry and within Haiti society. Last year we looked at the changes within our country and what our attitude needs to be to cope with the changes. This year we can look at the CHALLENGES we face day by day and year by year. As we put our trust in and focus on the Lord Jesus Christ and His will for our lives, the challenges which will always be there, will be seen as opportunities to grow and mature into His likeness. As we look to the future, we embrace the opportunities that are before us. God is opening doors and we sense His call to move forward in faith. In fact, we strongly believe that the battle for the soul of precious boys and girls in Haiti is already won by the grace of Jesus Christ, it's for that in EVERYTHING we give thanks!

As you prayerfully read these pages, please ask God to show you what role He would have you play in helping reach the children of Haiti for Christ! If you are not on our team support yet, our prayer is that you will join us as a key team member.

For the children of Haiti,  
**Jacky Gilles.**

IN EVERYTHING  
**Give thanks**

## TESTIMONIES FROM THE FIELD

In July 2019 despite of the political turmoil, many teenagers from several churches gathers in Haiti to be taught by trained CEF leaders and other trainers. They receive individual and group instruction during the two weeks of training. Areas of instruction include: learning the Wordless Book, teaching attractive Bible lesson and/or Missionary stories and guiding boys & girls to receive Christ as Savior. Xun and Briana pictured below were very eager to share the gospel with children into five days club. At the closing ceremony of CYIA they said: " We are so glad that CEF give us a wonderful opportunity to serve the Lord and make a lasting impact for eternity into the life of many boys and girls this summer."

## TESTIMONIES FROM THE FIELD

### Honoring a principal with a passion for boys and girls

Bible School Ministry (BSM) is a structure for the evangelization and social formation of children. Our focus is to reach especially those attending public schools in the country. Through BSM, Children are learning to put their hope in Christ. They see that an education — not drugs or crime.

In May 2019 CEF Haiti was privilege to honor Mrs Marie Line G, a public principal school with more than 15 years investing her life for the wellbeing of children through education. CEF Haiti has started working in this school since 2010. We give Mrs Marie Line that plate n order to express our appreciation for her. During the ceremony she said: " The Bible School Ministry create lasting relationships between children outside the academic setting of school. Children model lessons learned into their daily life during the school day and beyond. I can testify that children who might struggle with value choices at school are given great role models. BSM is a real blessing for me, thank you so much!

## MINISTRY PERSPECTIVES 2020

A new year, a new decade, an amazing new opportunity for the ministry of CEF Haiti!

We are looking ahead to 2020 and our goal of sharing God's Word with at least 40,000 children, and opening ministry into 2 new areas!

As you can see the harvest is plentiful, but the labors are very few. As we start the battle for the soul of precious boys and girls in Haiti, we are aware that is not something easy. We have a lot of challenges and obstacles before us. However we're confident and trust who's victory is always part.

God is always at work. He will prevail — there's nothing that can stand against Him or change the ending to the story. We need to remember that not only is the Kingdom not in jeopardy, but it is also triumphant, and victory is inevitable with Jesus on our side!

Let's spend this year rejoicing in the goodness of our God and celebrate the New Year with fresh resolve and passionate commitment to follow our King faithfully through the most high ministry.
